

Program Ads Fundraiser 2021

As we prepare for our show, students are able to fundraise towards the expenses of ReVeRb. In fact, a student may pay his/her required fees via this fundraiser but should also ensure that the entire balance is paid by November 5, 2021.

Our program is a printed booklet highlighting the students, business/personal ads, and information about our ensemble. Businesses may purchase ad space as well as parents or supporters who want to shout students out.
